The basic aims of the Boyne Riders Photographic Rally remain as in previous years; they are: -

- ☉ To encourage people to get "out there" on their motorbike(s) & have some element of fun & adventure. "Out there" (it is hoped), will either be off the beaten track or feature an interesting subject, preferably both?
- ☉ An interest in photography is not essential, however it just might add to your enjoyment of the event.
- ☉ In the context of motorcycle riding the event is strictly non competitive. Badges are awarded for photographing a preset number of locations. Certificates will be awarded for best photo, best set of photos, oldest bike, & smallest bike etc. As is now traditional, the number of subjects is twenty-four. There are three categories of Badge - **Gold, Silver & Bronze** - for photographing **24, 18 & 12** subjects respectively.

A special overall prize may be awarded again this year for the best additional photo – not connected with the listed locations – that most closely conveys, depicts or somehow encapsulates the spirit of motorcycling in Ireland for 2009, as you interpret it.

All you've got to do between now & Nov is to visit as many of the listed locations as you choose, in any order you wish, by whatever route pleases you, alone or accompanied as your prejudices dictate. Take a photograph of the nominated subject, be creative if you desire, but include your motorcycle (& pillion passenger if entered) & do seriously consider an entry for that special overall award.

The organizers accept no liability for damage or loss however they might arise. All participants take part entirely at their own risk & are subject to all rules & regulations as apply to traffic &/or trespass. Please respect these & any other considerations as may be relevant. BE CAREFUL & DO ENJOY yourself. In the context of motorcycle riding the event is strictly non competitive.

There's no need to pre register; simply submit your photos no later than Fri. Nov 27th. 2009 (no exceptions).

Post your photos **printed & on disc** to Gerry Christie, 26 Monalee, Tralee, Co. Kerry, please. Digital photos should be in **JPEG format**; you may submit as many photos as you like **but those that form your photo entry** should be in a **separate folder** titled **photo rally entry**, please. Photographs by e-mail give us problems, as do PowerPoint and slide show presentations. Fully label each shot (they look much better in an album). Please also include the registration form above (fully filled in) & a cheque (crossed & payable to **Lorcan Greene**) for the **€ 10** registration fee (per entrant). The bronze award (12 locations) is the minimum entry accepted.

So don't just be standing there gaping, be getting on with it. An award presentation function will be held early in 2010

An **E-mail** address is important, it minimises administration & keeps you more clearly in the picture.
