

## **Irish Section News for June**

We had 19 people go to the National AGM in the UK and a special thanks to them all for making the effort, to go for this important meeting, they all had a good time and made lots of new friends from the other sections. We had 23 attend the weekend in Wales and although the weather was wet on the Friday we passed through some beautiful places with spectacular scenery. Special thanks to Liam Quinlan for organising a great weekend thanks also to Jimmy Ellis who also took us out on the Saturday and Sunday. We had a great day two days travelling through Wales and getting lost. I think we will have to blame Mr Garmin on that one. Also thanks for the four lady's Hazel, Deirdre, Gerry and Deirdre for coming on their bikes and also the two pillions Mary and Anne. The next weekend away will be the Belgium tip and we can still take more people, so if you are interested in going its not too late to book. Contact me re bookings etc.

Liam Quinlan (Cork) will be taking out runs every Tuesday night for the Summer months, if you live in that general area, contact Liam Quinlan, meet at 6.30pm at Island Gate, Glounthaune, Cork

Bookings still being taken for the Irish Boreen for the August Bank Holiday weekend, this is always a great weekend. Contact me for further info, or see details on the website: [www.irishboreen.com](http://www.irishboreen.com)

If anyone is interested in organising a run over the summer months for the Club, please get in touch me with or any member of the Committee and we would be happy to help organise it. Check out the Diary of Events in the journal and on the website for details of all the runs in your area, and weekend away. [www.bmwclub.org.uk/irish](http://www.bmwclub.org.uk/irish)
