

Irish Section News for May

On 15th March 2009, 13 bikes, 14 people including 1 Lady came out for the first run of the year, lead by Brendan Lang and Jim Sweeney. The bikes departed from the Spa Hotel, on the N4 and headed for the Boyne Valley Visitors Centre for tea/coffee and scones. From there they went on up to Kells for a photograph as part of the photo rally and than onto Athboy for lunch. The weather was good and fun was had by all.

Special thanks also to Brendan Lang for helping Francis Maye an old friend of the club, who's bike broke down.

On Sunday the 24th May, Peter Deevy will be taking a run out, starting in Stradbally, Co. Laois,

On Saturday the 30th May, Liam Quinlan will be leading his run, "The Long Way Up" Charity Run, starting at Little Island, Cork and ending at the Giants Causeway. We would appreciate as much participation from section members as this is a very worthwhile cause, so if members prefer to make a donation.
