

Irish Section News....March Journal.

Jan-Feb is typically a quiet time in the Club, apart from the monthly meetings and the annual Hill Walk which Jim Sweeney organises after Christmas. Thanks to Jim and particularly to his friend Dorothy who leads the walk and looks after everyone. 20 people sat down to lunch afterwards in Enniskerry and it was great to see so many old friends there, catching up after Christmas and looking forward to runs/weekends away with the club in the coming year.

Liam Quinlan has advised that the hotel weekend which he is organising on behalf of the Club in Wales in May, is fully booked already, but if anybody is interested and would like to go along, Liam may be able to organise B+B's nearby 086 825 2774 quinlanliam@eircom.net Also a reminder that if anybody wants to go to Belgium we have to know by the end of March, so please contact either Steve Somers or myself (full details on the Irish Section website www.bmw-club.org.uk/irish).

The Irish Section website has been updated recently and will continue to be updated regularly by Tony Robson (National Social Sec) and I would like to take this opportunity to thank him on behalf of all the Irish Section for volunteering to do this for us, it is much appreciated.

If you live in the Leinster area, dont forget about the run from the Spa Hotel Lucan at 10.00 am Sunday 15th which is being organised by Jim Sweeney/Brendan Lang - see DOE for contact details.

Bookings for the annual Boreen Run will open later this month (full details on website). This event is one of the most popular events on our Calendar and early booking is essential to guarantee your place.

Now that the weather is getting finer, we are looking forward to seeing you out on the runs which have been organised.

James Connolly
