	intercom\communication system) Cambs. 9:00 am start from the Little Chef, junction of the A60 and A614 approx 5 miles north of Nottingham. Refreshments laid on, along with demonstrations and on-the-day purchase discounts. A chance to see what the 'new kid on the block' has to offer. This event has been passed to many sections so a good turn out is anticipated. If any section members wish to lead a group from their own 'neck of the woods' please contact me for details. Martin Ellis martink100t@ntlworld.com
30th - 1st August	Camping weekend with the option to be exhibitors in Long Eaton Steam and Vintage rally, West Park leisure centre, Long Eaton, Notts. - 2 miles from J25 M1. Owners pre-booking as exhibitors will get free camping Fri Sat Sun if required, free entry to show, and no camping charges. Rally is Sat and Sun. BMW bikes ONLY, any age/model. This is NOT a concours display - everyday bikes in everyday condition is the order of the day. Limited camping places. Day exhibitors welcome but MUST still be booked in through me. NO PASS = NO FREE ENTRY. Please book early, it makes my life a lot easier! Owners who do not wish to be part of the show can still attend as either day visitors, or as weekend campers, but would be subject to normal camping and daily site entry charges. Camping/parking would then be in public areas. Showers and toilets are on site, and there is a general store opposite the site gates. Long Eaton town centre and Pidcock's are about 10 minutes walk. There is a parade of vintage vehicles into Long Eaton town centre on the Saturday evening. There will be a marquee on site for shelter and refreshments, presenting a club presence and the area will be roped off to regulate public access to the bikes. Exhibitors will be able to take part in arena parades with other bikes, or not, as the fancy takes them. Although bikes will be on display, rideouts will be possible provided we don't get a mass exodus! Phone Martin Ellis for booking form and more information. (01623) 401405 martink100t@ntlworld.com
